15. Plaintiff intends on revisiting the Property to purchase food and/or services as a regular customer living in the near vicinity as well as for Advocacy Purposes, but does not intend to re-expose herself to the ongoing barriers to access and engage in a futile gesture of visiting the public accommodation known to Plaintiff to have numerous and continuing barriers to access.

16. Plaintiff travelled to the Property as a customer and as an independent advocate for the disabled, encountered the barriers to access at the Property that are detailed in this Complaint, engaged those barriers, suffered legal harm and legal injury, and will continue to suffer such harm and injury as a result of the illegal barriers to access present at the Property.

COUNT I
VIOLATIONS OF THE ADA AND ADAAG

17. On July 26, 1990, Congress enacted the Americans with Disabilities Act 42 U.S.C. § 12101 *et seq.*

18. Congress found, among other things, that:

- (i) some 43,000,000 Americans have one or more physical or mental disabilities, and this number is increasing as the population as a whole is growing older;
- (ii) historically, society has tended to isolate and segregate individuals with disabilities, and, despite some improvements, such forms of discrimination against individuals with disabilities continue to be a serious and pervasive social problem;
- (iii) discrimination against individuals with disabilities persists in such critical areas as employment, housing public accommodations, education, transportation, communication, recreation, institutionalization, health services, voting, and access to public services;
- (iv) individuals with disabilities continually encounter various forms of discrimination, including outright intentional exclusion, the discriminatory effects of architectural, transportation, and communication barriers, overprotective rules and policies, failure to make modifications to existing facilities and practices, exclusionary qualification standards and criteria, segregation, and relegation to lesser service, programs, activities, benefits, jobs, or other opportunities; and
- (v) the continuing existence of unfair and unnecessary discrimination and prejudice denies people with disabilities the opportunity to compete on an equal basis and to pursue those opportunities for which our free society is justifiably famous, and costs the United States billions of dollars in unnecessary expenses resulting from dependency and non-productivity.

42 U.S.C. § 12101(a)(1) - (3), (5) and (9).

19. Congress explicitly stated that the purpose of the ADA was to:

- (i) provide a clear and comprehensive national mandate for the elimination of discrimination against individuals with disabilities;
- (ii) provide a clear, strong, consistent, enforceable standards addressing

discrimination against individuals with disabilities; and

* * * * *

- (iv) invoke the sweep of congressional authority, including the power to enforce the fourteenth amendment and to regulate commerce, in order to address the major areas of discrimination faced day-to-day by people with disabilities.

42 U.S.C. § 12101(b)(1)(2) and (4).

20. The congressional legislation provided places of public accommodation one and a half years from the enactment of the ADA to implement its requirements.

21. The effective date of Title III of the ADA was January 26, 1992 (or January 26, 1993 if a defendant has 10 or fewer employees and gross receipts of \$500,000 or less). 42 U.S.C. § 12181; 28 C.F.R. § 36.508(a).

22. The Property is a public accommodation and service establishment.

23. Pursuant to the mandates of 42 U.S.C. § 12134(a), on July 26, 1991, the Department of Justice and Office of Attorney General promulgated federal regulations to implement the requirements of the ADA. 28 C.F.R. Part 36.

24. Public accommodations were required to conform to these regulations by January 26, 1992 (or by January 26, 1993 if a defendant has 10 or fewer employees and gross receipts of \$500,000 or less). 42 U.S.C. § 12181 *et seq.*; 28 C.F.R. § 36.508(a).

25. The Property must be, but is not, in compliance with the ADA and ADAAG.

26. Plaintiff has attempted to, and has to the extent possible, accessed the Property in her capacity as a customer of the Property and as an independent advocate for the disabled, but could not fully do so because of her disabilities resulting from the physical barriers to access, dangerous conditions and ADA violations that exist at the Property that preclude and/or limit her access to the Property and/or the goods, services, facilities, privileges, advantages and/or accommodations

offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

27. Plaintiff intends to visit the Property again in the very near future as a customer and as an independent advocate for the disabled, in order to utilize all of the goods, services, facilities, privileges, advantages and/or accommodations commonly offered at the Property, but will be unable to fully do so because of her disability and the physical barriers to access, dangerous conditions and ADA violations that exist at the Property that preclude and/or limit her access to the Property and/or the goods, services, facilities, privileges, advantages and/or accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

28. Defendant, CENTURY 9625 LLC, has discriminated against Plaintiff (and others with disabilities) by denying her access to, and full and equal enjoyment of the goods, services, facilities, privileges, advantages and/or accommodations of the Property, as prohibited by, and by failing to remove architectural barriers as required by, 42 U.S.C. § 12182(b)(2)(A)(iv).

29. Defendant, CENTURY 9625 LLC, will continue to discriminate against Plaintiff and others with disabilities unless and until Defendant, CENTURY 9625 LLC, is compelled to remove all physical barriers that exist at the Property, including those specifically set forth herein, and make the Property accessible to and usable by Plaintiff and other persons with disabilities.

30. A specific list of unlawful physical barriers, dangerous conditions and ADA violations which Plaintiff experienced and/or observed that precluded and/or limited Plaintiff's access to the Property and the full and equal enjoyment of the goods, services, facilities, privileges, advantages and accommodations of the Property include, but are not limited to:

ACCESSIBLE ELEMENTS:

- (i) The total number of accessible parking spaces is inadequate and is in violation of section 208.2 of the 2010 ADAAG standards. The Property has approximately 40 total parking spaces, yet only has one accessible parking space instead of two. This violation made it difficult for Plaintiff to locate an accessible parking space.
- (ii) Due to a failure to enact a proper policy of maintenance, one accessible parking space is not adequately marked and is in violation of section 502.1 of the 2010 ADAAG standards. This violation made it difficult for Plaintiff to locate an accessible parking space.
- (iii) The access aisle to the accessible parking space is not level due to the presence of an accessible ramp in the access aisle in violation of section 502.4 of the 2010 ADAAG standards. This violation made it dangerous and difficult for Plaintiff to exit and enter their vehicle while parked at the Property.
- (iv) The accessible curb ramp is improperly protruding into the access aisle of the accessible parking space in violation of section 406.5 of the 2010 ADAAG Standards. This violation made it difficult and dangerous for Plaintiff to exit/enter their vehicle.
- (v) Near Unit 100A, the Property has an accessible ramp leading to the accessible entrances with a slope exceeding 1:12 in violation of Section 405.2 of the 2010 ADAAG standards. This violation made it dangerous and difficult for Plaintiff to access the units of the Property.
- (vi) Near Unit 100A, the Property has an accessible ramp that lacks finished edges or edge protection and/or is otherwise in violation of Section 405.9 of the 2010

ADAAG standards. This violation made it difficult for Plaintiff to access the units of the Property.

- (vii) Due to a policy of not having parking stops for some of the parking spaces directly in front of the exterior access route, vehicles routinely pull up all the way to the curb and the "nose" of the vehicle extends into the access route causing the exterior access route to routinely have clear widths below the minimum thirty-six (36") inch requirement specified by Section 403.5.1 of the 2010 ADAAG Standards. This violation made it dangerous and difficult for Plaintiff to access exterior public features of the Property.
- (viii) Due to a policy of not having parking stops for some of the parking spaces directly in front of the exterior access route, cars routinely pull up all the way to the curb and the "nose" of the vehicle extends into the access route as a result, in violation of Section 502.7 of the 2010 ADAAG Standards, parking spaces are not properly designed so that parked cars and vans cannot obstruct the required clear width of adjacent accessible routes.
- (ix) Due to a policy of the tenants to keep their doors open, blocking the accessible route, when combined with the allegations in (vii and viii above) there are publicly accessible areas of the Property having accessible routes with clear widths below the minimum 36 (thirty-six) inch requirement as required by Section 403.5.1 of the 2010 ADAAG standards. This violation made it dangerous and difficult for Plaintiff to access exterior public features of the Property.
- (x) Due to the barriers to access identified in (vii, viii, and ix above), the Property lacks an accessible route connecting accessible facilities, accessible elements and/or

accessible spaces of the Property in violation of Section 206.2.2 of the 2010 ADAAG standards. This violation made it difficult for Plaintiff to access public features of the Property.

- (xi) For all of the units of the Property, the maneuvering clearance of the accessible entrance/exit is not level in violation of Section 404.2.4.4 of the 2010 ADAAG standards due to a vertical rise exceeding $\frac{1}{2}$ at the doorway. This violation made it difficult for Plaintiff to access the units of the Property.
- (xii) Defendant fails to adhere to a policy, practice and procedure to ensure that all facilities are readily accessible to and usable by disabled individuals.

UNIT 200 RESTROOMS

- (i) The restroom lacks signage in compliance with Sections 216.8 and 703 of the 2010 ADAAG standards. This made it difficult for Plaintiff and/or any disabled individual to locate accessible restroom facilities.
- (ii) The restrooms lack proper door hardware in violation of Section 404.2.7 of the 2010 ADAAG standards. This made it difficult for Plaintiff and/or any disabled individual to utilize the restroom facilities.
- (iii) The actionable mechanism of the paper towel dispenser in the restroom is located outside the prescribed vertical reach ranges set forth in Section 308.2.1 of the 2010 ADAAG standards. This made it difficult for Plaintiff and/or any disabled individual to safely utilize the restroom facilities.
- (iv) Restrooms have a vanity sink with inadequate knee and toe clearance in violation of Section 306 of the 2010 ADAAG standards. This made it difficult for Plaintiff and/or any disabled individual to safely utilize the restroom facilities.

- (v) The mirror in the bathrooms exceeds the maximum height permitted by Section 603.3 of the 2010 ADAAG standards. This violation made it difficult for the Plaintiff and/or any disabled individual to properly utilize public features of the restroom.
- (vi) The soap dispenser in the restroom is located outside the prescribed vertical reach ranges set forth in Section 308.2.1 of the 2010 ADAAG standards. This made it difficult for Plaintiff and/or any disabled individual to safely utilize the restroom facilities.
- (vii) Toilet paper dispenser in the restroom is located outside the prescribed height and/or reach ranges set forth in Section 604.9.6 of the 2010 ADAAG standards. This made it difficult for Plaintiff and/or any disabled individual to safely utilize the restroom facilities.
- (viii) The restrooms have grab bars adjacent to the commode which are not in compliance with Section 604.5 of the 2010 ADAAG standards as the rear bar is missing and the side bar is too short. This made it difficult for Plaintiff and/or any disabled individual to safely utilize the restroom facilities.
- (ix) The side grab bar/handrail is not positioned in accordance with Sections 609.4 and 604.5 of the 2010 ADAAG standards. This made it difficult for Plaintiff and/or any disabled individual to safely utilize the restroom facilities.

31. The violations enumerated above may not be a complete list of the barriers, conditions or violations encountered by Plaintiff and/or which exist at the Property.

32. Plaintiff requires an inspection of the Property in order to determine all of the discriminatory conditions present at the Property in violation of the ADA.

33. The removal of the physical barriers, dangerous conditions and ADA violations alleged herein is readily achievable and can be accomplished and carried out without significant difficulty or expense. 42 U.S.C. § 12182(b)(2)(A)(iv); 42 U.S.C. § 12181(9); 28 C.F.R. § 36.304.

34. All of the violations alleged herein are readily achievable to modify to bring the Property into compliance with the ADA.

35. Upon information and good faith belief, the removal of the physical barriers and dangerous conditions present at the Property is readily achievable because the nature and cost of the modifications are relatively low.

36. Upon information and good faith belief, the removal of the physical barriers and dangerous conditions present at the Property is readily achievable because Defendant, CENTURY 9625 LLC, has the financial resources to make the necessary modifications.

37. Upon information and good faith belief, the Property have been altered since 2010.

38. In instances where the 2010 ADAAG standards do not apply, the 1991 ADAAG standards apply, and all of the alleged violations set forth herein can be modified to comply with the 1991 ADAAG standards.

39. Plaintiff is without adequate remedy at law, is suffering irreparable harm, and reasonably anticipates that she will continue to suffer irreparable harm unless and until Defendant, CENTURY 9625 LLC, is required to remove the physical barriers, dangerous conditions and ADA violations that exist at the Property, including those alleged herein.

40. Plaintiff's requested relief serves the public interest.

41. The benefit to Plaintiff and the public of the relief outweighs any resulting detriment to Defendant, CENTURY 9625 LLC.

42. Plaintiff's counsel is entitled to recover its reasonable attorney's fees and costs of

litigation from Defendant, CENTURY 9625 LLC, pursuant to 42 U.S.C. §§ 12188 and 12205.

43. Pursuant to 42 U.S.C. § 12188(a), this Court is provided authority to grant injunctive relief to Plaintiff, including the issuance of an Order directing Defendant, CENTURY 9625 LLC, to modify the Property to the extent required by the ADA.

WHEREFORE, Plaintiff prays as follows:

- (a) That the Court find Defendant, CENTURY 9625 LLC, in violation of the ADA and ADAAG
- (b) That the Court issue a permanent injunction enjoining Defendant, CENTURY 9625 LLC, from continuing their discriminatory practices;
- (c) That the Court issue an Order requiring Defendant, CENTURY 9625 LLC, to (i) remove the physical barriers to access and (ii) alter the Property to make it readily accessible to and useable by individuals with disabilities to the extent required by the ADA;
- (d) That the Court award Plaintiff her reasonable attorneys' fees, litigation expenses and costs; and
- (e) That the Court grant such further relief as deemed just and equitable in light of the circumstances.
